About the University

Karnataka Samskrit University has been formed in 2010 and has been dynamically working towards the growth of Samskrit higher education in the state offering courses from diploma to PhD. The university offers programmes in various fields including language, literature, culture, tradition, Vedic studies, humanities, philosophy, grammar and sciences of different disciplines - with traditional profundity and modern approach. It also facilitates interdisciplinary research in accordance with NEP 2020.

Unique Features of the Course

- » Computer-assisted learning
- » Covering wide range of topics such as story writing and contextual speech
- » Grammar taught in simple ways using software tools / games
- » Group discussions and assignments
- » Known to unknown method of teaching
- » Transferable credits (credit banking) in-line with NEP 2020
- » Students from any college/university can opt this as an open elective
